Environment

You advised that the separate units within the home, particularly angel beck worked

well to manage potential outbreaks of covid-19.

Goverance arrangements

You had felt supported by the provider during the pandemic. The NI/ Area Manager had not been able to continue with their weekly visits during this time to mitigate risk of cross infection, however, regular phonecalls took place, and visits to the service will resume when safe.

We discussed the amber status for some PPE products on the capacity tracker. You advised you had a good stock of these, and had ordered recently ordered more, as you wanted to ensure that should there be an outbreak you felt fully prepared to protect your staff.

Visiting

We discussed the home starting socially distance visits in the garden, with consideration of young children, and length of time of the visit.
